

At Sea  
11<sup>th</sup> May

Dear old Dad,

Just a  
very short note.  
We are getting very  
close to the Equator  
& the heat is intense.  
Much preferable  
to that bleak biting  
cold tho' I think.  
All my news is  
in the letter I write  
home to all but that  
doesn't contain lots  
of interesting stuff  
I could add but  
for the strict  
condemnation which  
is after all only  
as it should be.

You won't forget  
to let me know any  
~~the~~ news of Kimp you  
hear & also any  
football accounts.  
I would like you  
shelly to go and see  
the Kimp Grammar  
match. It's always  
worth watching.  
I'd also like mother  
to go but know  
she doesn't like  
football.

Sorry for haste  
Dad but you will  
get everything from  
home.

Best love  
Jacky.
